Data Structures, Algorithms Courses

- Try to remind students to read book.
 - Give them quiz once a while that does not cover too much material.
 - Mid-term and final are not too hard, and are from book.
- Try to teach students to learn new things by themselves.

OO Programming

- On-line Exam.
- Programming assignments are given in the lab hour, finish in the lab hour.
- Good TA is very important.

經驗交流

- 課前預演
- 從資質平凡學生的出發點備課
- 自己要動手做
- 反省，修正
